## ABOUT

JULIE D. HARBOUR

Meet Julie D. Harbour, the enthusiastic owner of Stylish Paradox, a multifaceted business providing digital content creation and personal styling services.

Her followers and clients are women who are interested in exuding an ageless, confident look and persona as they move into their golden years.

You can find Julie on any given day, serving great looks, empowering and inspiring women to be authentic, bold and unapologetically the best versions of themselves! In year 5.6, Julie loves a great read, weekend getaways, and gatherings with family and her best girlfriends.

She blogs about her paradoxical style, faith and the journey of life.
